

# Payments your way, anytime, anywhere.

## Castles Saturn F2

Get the multi-tasking card machine that supports the way you do business. With the highest level of hardware security, this great-looking, fast and secure mobile payment device gives function and style to any business set-up. Plus with Android OS 9, it's technology that gives you room to scale.

### Key benefits:

- **Customisable.** Customise your set-up with tools to help run your business.
- **Future-proof.** With the latest Android OS, it's made to work with your system as you grow.
- **Usability.** Fully mobile, with sleek design and built-in receipts printer, you can deliver service that stands out.
- **Reliability.** With long-lasting battery, fast charging and Wi-Fi or mobile connectivity, you'll be taking payments all day without a hitch.
- **Options.** With dual-connection and auto-network switching, you can take payments your way, anytime, anywhere.

Simple, secure, and easy payments, your way.

## How it works:

- Use it wherever your customer wants to pay, using either SIM card or Wi-Fi connection.
- Accept Contactless, Chip and PIN, Magstripe, Apple Pay, Google Pay with Visa, Mastercard and American Express.<sup>1</sup>
- With a built-in printer, it's perfect for taking payments at the table, bar, shop floor or out and about.
- Use it stand-alone, with apps or integrate with your POS system.
- Once your application is approved we'll deliver your devices the next business day.<sup>2</sup>
